TMG Executives To Speak at Canadian Captive Conference

Burlington, VT—When the 7th Annual Captives & Corporate Insurance Strategies Summit is held June 1-2 at the Metropolitan Hotel in Toronto, The Towner Management Group will have an outsized presence.

Ricardo Knight, president of Towner Management in Barbados, will represent Barbados in a roundtable-type discussion called ***Domicile Selection: Evaluating Costs and Benefits to Meet Your Insurance Objectives and Maximize Profits.*** Knight will also attend the Society of Trusts and Estate Practitioners' Tax, Trusts & Estates 2011 Conference later the same week in the Metro Toronto Convention Centre.

On June 2, Thomas P. Stokes will speak at the captive summit. Stokes, Managing Director and Partner of Towner Management in the U.S. and the firm's consulting practice leader, will team with William Motherway, EVP, Risk Management of Tishman Construction Corporation, to present a case study: ***Maximize your Captive's Potential with a Captive-Centric Risk Management Approach.***

During their stay in Toronto, you may contact either gentleman immediately via smart phone by emailing them at: ricardo.knight@townermanagement.com; or tom.stokes@townermanagement.com.

At TMG, count on our experience, independence and expertise to help guide your business. Towner Management offers independent, full-service management to alternative risk financing entities in the U.S. and worldwide.
